

8FT LED T8 TUBE

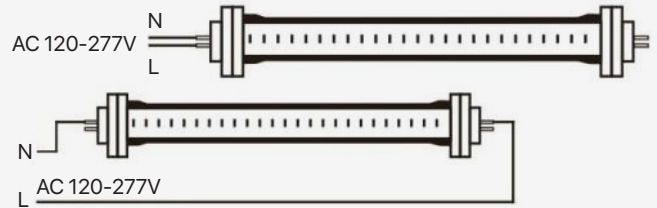

T96T8-30W-50W-VAR-1P-V3

Introducing our new generation of LED Tube V3. Ideal for efficient lighting in commercial and industrial spaces, this tube offers selectable color temperature and wattage options for maximum flexibility. It delivers up to 6500 lumens, operates directly on 120–277V without a ballast, and is cETLus certified for reliable performance. Designed for damp locations, it provides 50,000 hours of illumination backed by a 5-year warranty.

The ballast needs to be removed

Specifications

Input Voltage	120-277Vac
Input Current	0.57A max
Power	50W/40W/30W
Equivalent Power	80W Fluo
Efficiency	130lm/W
Lumens (Up to)	6500lm
Colour Temperature	27K/35K/40K/50K/57K/65K
Beam angle	120°

Color Rendering Index (CRI)	+80
Total Harmonic Distortion (THD)	<15%
Operating Temperature	-15°C to 45°C
Dimensions	8ft
Build Material	Aluminum Body Frosted Polycarbonate Lens
Environment	Damp
Lifetime	50,000h
Years of Warranty	5 years
Certifications and Compliance	cETLus ; Class II
